Lizzy's sister is so cute.
Isn't she a model?
Our Mine High School
I bet Lizzy looks like her servant when she's with her!
No one would even notice her?

Oh, I couldn't!
They're right.
My sister is as beautiful as a rose and also kind
Come to London with me and my model friends.
If you stay, Dad will make you work in the store
when I graduate, we should leave.
Lucy,
I was born a weed
Phone!
Lucy?
Yeah, in France.
Some prince was involved.
But.
News? An accident?
Is this Miss Maria Mitchell's family?
She's pregnant and in critical condition.
Please come as soon as you can.
Miss Maria was in an accident
This is the French police

Cornwall, England
Yes, too!
You've got sand on your nose, Ben.
It's not mud, it's sand, Mommy.
We're so muddy!
Bringing children up in the country-side is ideal
This is so fun! I'm glad I moved near the seaside.

Who is it?
Who ? I don't know anyone this handsome!
Ralios accent

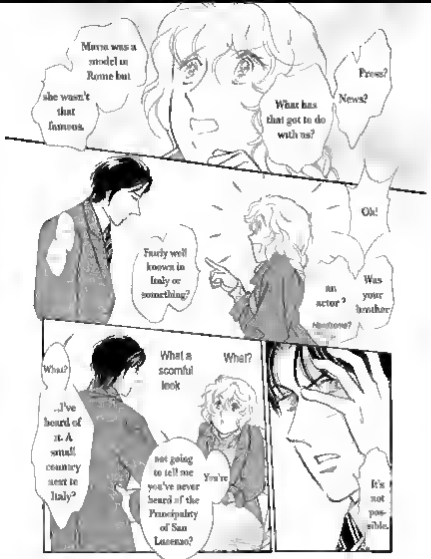
What do you want?
Eek!
Peek
?
Ms. Elizabetha Mitchell?
His expression changed when he saw Ben
Sorry to bother you suddenly, rigorous.
I'm Detective Fallori.
There is an urgent matter regarding your boy

Hello. Have you got a toy there?
Yes.
Fa-ther.
Yeah!
Or coarse!
Can you show me?
Ben,
don't leave Mommy!
Clunk
Ben!
Ms. Mitchell, calm down. He's safe.
I just don't want him to hear this.
Can't you see that?
It's about the boy.
Why are you here?
What do you...
We cannot leave him here!
We have a lot to talk about.
Can we go inside?
You don't have to be scared.
He!
Police?
Um
What
please sit down.
Um.
This chair is broken. Sit
He's handsome
but arrogant.
This man
who does he think he is?

Paul died in that car accident in France.
As you know, 4 years ago,
U... Uncle
Neither you, nor us.
No one knew.
In the confusion, they didn't realize your sister and Paulo were in the same car.
She was pregnant so they transported her to the hospital.
Paulo died instantly,
but your sister was alive.
he is her
You are
and now you want him back?
You left him for 4 years,
My poor sister gave birth to Ben through cesarean and never woke up—
Actually he looks like Ben
Pretty face
!?
His father is my brother, Paulo Cerulli!
I am his uncle.
What?
I'm not the father
Hold on.
You're mistaken,

But now
For Ben
I was afraid of that and also hopeful.
I had thought the man who got Maria pregnant might come forward
She'll never wake up?
That accident. Maria.
4 years ago
Poor Maria. We'll join you in heaven...
Dad!
Mom
and this?
She's only 19, pregnant by God knows who,
but her brain.
We cried.
Maria!
So,
we have to hide that child as soon as possible.
What?
But the ruthless paparazzi will come soon!
Luckily we found you before the press did.
Every one's gone.
Yes.



Mavra was a model in Rome but she wasn't that famous.
Press?
News?
What has that got to do with us?
Oh!
Surely we'll known in Italy or something?
an actor?
Was your brother
Nonfiore?
What?
What a scornful look
What?
What?
...I've heard of it. A small country near to Italy?
You're not going to tell me you've never heard of the Principality of San Lorenzo?
It's not possible.

Huh?
Your nephew is Paulo's heir.
It's big news!
Ben is.
I know.
It's hard to believe, but...
I don't understand—
What?
Are you stupid?
What?
What is it?
An Italian?
Is that his full name?
Paulo Geraldi.

Soon, the news that the tragic Prince Paulo Ceraldi had a secret love
will be all over the papers.
The whole world will have their eyes on you.
What!
Right, now do you understand the whole situation?
I am Enrico Ceraldi, the second son of the current king.
Yes.
The Ceraldi family have ruled that country for 800 years.
My brother Paulo is the third son.
Basically we're penniless of San Lucenna.
Paulo and your sister had registered their marriage the day they died.
Your nephew,
Benedict, has royal blood in his veins.

Whoops
Good.
Not a beauty
If she's ugly the playboy prince won't put his hands on her
Um
The aunt?
She doesn't look anything like the photo of Maria Mitchell
It's true. I'm worried but I'll leave it up to you.
I can't leave because of royal duties.
That's what the papers call me.
Stop it!
Father is just worried about the press.
We're counting on you.
He looks just like Paulo when he was small.
I'm trying not to cry.
Leave it to me.
Yeah.
It was hard,
We're heading to the hideout now.
but I have him, Luca.

This woman.
Shuffle
Ruffled hair
How can a young woman look so terrible?
Sigh
Sunburn. Freckles.
No makeup.
Cheap clothes.
The is really bad.
I know she's from the country-side but
She's so different!
It was the first time!
First time I have ever met anyone like her!
And how could she not know who I was?
Sweet, kind
Paulo.
Everyone loved him.
The golden prince.
Even Luca cried in public.
I was devastated to lose him when he was only 21
Paulo don't worry
I will protect your son!

I got hungry so I woke up, though.
Is an English breakfast all right?
Shall we go in the living room?

I'll get fired unless I call.
I need to call the store where I work.

I can only speak English.
I need to get it fixed...
Our bathroom leaks.
If we go on vacation, when will we come back to Cornwall?
Cough Cough
Ms. Mitchell,
I'm grateful for how you've taken care of Ben,
until now.
He looks just like Ben.
Yes.
Paulo?
That is.
you can't contact anyone.
Anyway, until this cools down,
Okay?

I thought Ben looked like Mama.
Then we'll take Ben to San Lucanza.

Mr. Murdoch!
I am Ben's mother! I have adopted him legally. He is my son!
But you can't expect me to let a prince stay in your inadequate house.
Ben is only 4!
You think it's best to take him away from his mother?
Calm down.
Think about what is best for Ben—
Fine!
!?
But
you can relax now.
You don't have to look after a child!
that you didn't even give birth to.
You're not.
Ben will live with us happily
Of course.
you're not just taking Ben with you?
going to tear Ben and me apart?
Are you
With that you can start a new life—
we'll give you a large reward.
Wait! Wait!

You can't expect me to sell my child to you for money!
So what?
It's clean!
We might be poor but we live happily in that house.
My beloved child!
I love Ben!
How heartless can you be?
Fine.
I'm sorry ...

Unless she agrees...
She is Ren's legal guardian.
I had no choice.

For our country!
It's your time to shine, 2nd prince.

Yes, Mother.
Luca. Rico.
Are you studying?
Why is Paulo allowed to be with Mother?
We're not allowed to do that!
Giggle
But study lord, "spare" prince!
Ha Ha Ha
But if something happened to me, you'd be.
But it's never going to happen, cause I'll be king.
He's not likely to get the throne so they spoil him.
Stupid, Paulo is third in line.
But I won't be long, either.

I know!
I'm not leaving Ben!
I won't let that happen!

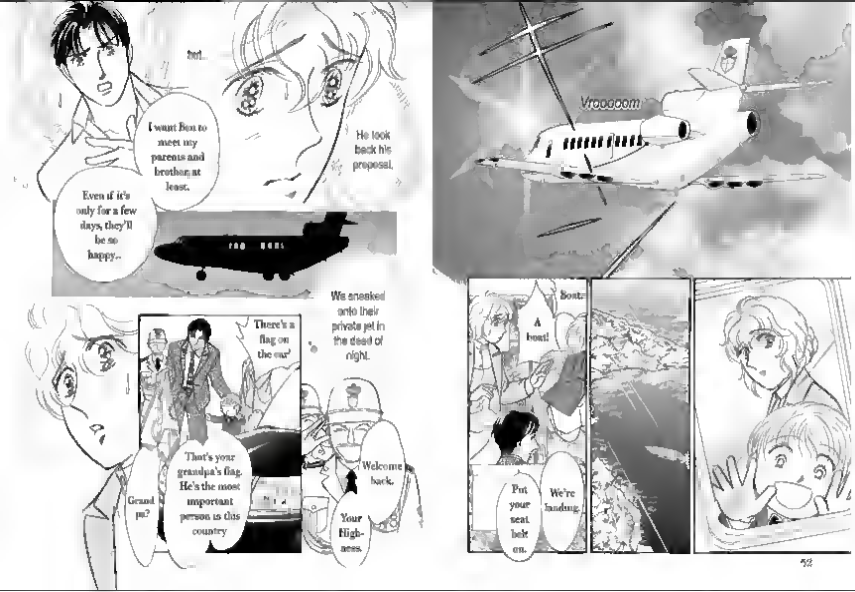
What?
Eh
how?

You mean I'm going to Lucoare, too?
As Ben's mother?
Or some sort of nanny?
Just sit down!

What did I just hear?
What is he talking about?
This is my last resort!
If you marry me, you can be part of the Ceraldi family and gain the appropriate status to be Ren's adoptive mother
Once Ren has grown up as a member of the family and doesn't need his mother anymore, we can annul it.
Then you'll be free!
あ Oh
Of course it'll be a marriage for show.
Not a real one.
Don't worry.

I don't believe this, it's stupid!
I... guess
it's difficult to understand, but—
Yes!
Wh.
S.
Stupid
?
It's like beauty and the beast, but the other way around: It's grotesque!
Can you imagine you and me together?
I've got to do it for Ben
Sniggle
Sorry but I guess it's the end of your playboy days
Oh
It's all for Ben
I can I believe I'm agreeing to this fake marriage for my brother
This is awful!
I don't get it.

All right.
You don't have to propose while looking so distraught at the prospect of marrying me!
I know you think I'm an ugly woman!
I'm not stupid.
People will laugh at you.
But not this.
I would do anything for Ben.



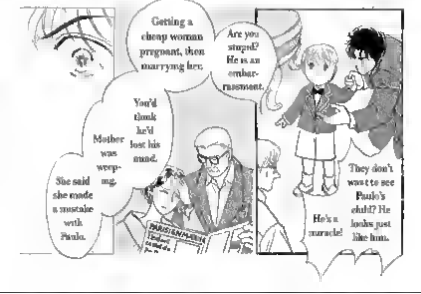
Int.
I want Ben to meet my parents and brother at least.
He took back his proposal.
Even if it's only for a few days, they'll be so happy..
There's a flag on the car!
That's your grandpa's flag. He's the most important person in this country.
Grandpa?
We sneaked onto their private jet in the dead of night.
Welcome back.
Your Highness.
Vroooom
Bout:
A bout!
We're landing.
Put your seat belt on.

Slip
I feel dizzy
Really
I really don't fit in here
Oh, gosh.
Be careful.
Ma. Micaella.
Come.
Giggle
Maybe... he feels sorry for me.
He's been so kind since that day
More relaxed

Ben,
we're going to see your grandparents now.
Okay.
Oh.
Let's explore the palace later with Mommy.
Explore!
Mommy's going to rest.
Ben!
Be a good boy!
This way.

Don't feel bad.
If a commoner like yourself is there, too, it becomes a bit stuffy. Please understand
What?
My father and mother want to meet just Ben first.
I don't want to be apart from you
Don't worry.
Trust me.
I promise.
Squeeze

She's always at the resort this time of year.
Mom-m?
Where's Father?
They're in a meeting.
Hee.?
What?



Getting a cheap woman pregnant, then marrying her.
Are you stupid? He is an embarrassment.
You'd think he'd lost his mind.
Mother was weeping.
She said she made a mistake with Paulo.
They don't want to see Paulo's child? He looks just like him.
He's a miracle!

What's going on?

Mother and Father wanted to see that child?
He?
What?
Did you really think...

Even if she tries to fight for custody in England, it will take years.
Once we split them up, he's no good as ours.
Oh, in the south tower.
I'll let her go soon.
Where is she?
Brother.
So, it's all sorted.
Your playboy charms helped this family!
Good for you...

It's funny to think you proposed to that.
That was bad.
I saw him on the CCTV.

For now,
out of San Lucenzo!

Trust me!
I have to do this?
I only came here...
I don't get it.
No
I was tricked and used!
By my own family ..
They planned the whole thing.
I didn't know any of this!
DATA
Marry me. Please!
I know you care about feelings more than formalities,
but this is for Ben.
We're in Italy so we're safe for now,
but not for long.
My father and brother will do anything to tear you and Ben apart.
No
But if you marry me,
they won't be able to act so quickly.
This is the only way to protect you and Ben!
If we become an official family in the eyes of society

We don't need you
Lizzy
Maria.
Maria!
You're alive!

Okay.
Trust,
and follow him!
I have to trust him.

Sweet Ben
My beloved Ben
My treasure.
But he is not my child.

Maybe it's my ego that wants to keep him
And now things are getting so out of control...

Morning.
Did you sleep well?
The ocean! Mommy!
Wow! It's so pretty. Bluer than my paint.
There's a pool and a private beach.
Let's swim later.
Don't worry.
This facility is safe.
My friend got us a very good hiding place.
This is a premium resort. All the mansions along the coast are owned by celebrities.
Each house is on secluded high land.
and top quality staff insure complete privacy for the residents.
Let's rest here,
and think of a plan.
No!
I don't need one.
Thanks.
No way!
He is a swimsuit?
And yours —
Or the Net,
or send someone to the marina shopping center.
I'll get one.
He has no swimsuit.

Before the shoot,
What?
And,
can I call a hair-dresser and beauti-cian?
I know this goes against your policy, but..
maybe, get some
new
clothes?

Plan
I told my friend about our marriage,
but let's not release it to the public for a while.
I'll make a deal with Father by threatening to tell the papers everything, so he'll set Ben free.
I'm thinking of taking
a photo to show my father.
A picture of you, me and Ben looking happy together.
And
..

Oh
gosh
Patting
then
wiping
then
patting
again

Let's
do
this!
Sure!

Ouch
By marrying me he made a sacrifice for Sen.
So I have to do something too.
For him!
Come on Lizzy.
I'm so embarrassed
I don't understand Italian but I can tell they're struggling to make me look good
I'm sorry you girls have to work on me!
But.
No matter how much I want to run away
I better hold on.
Maybe if professionals help me out, I could look a little better

Are you worried about Mommy?
Woman take a long time.
Why are you looking at the door?
Oh
Mommy doesn't put makeup on!

I can't believe it.
Did you not know you were this beautiful?
You were beautiful to begin with.
No.
Slam
Have confidence!
You should be proud of your beauty.
You're never allowed to hide your beauty with those baggy clothes again.

I secretly tried on my sister's clothes.
Once,
But I couldn't get it past my hips.
You're just full figured!
My mom found out and got really angry.
She said a fat girl should wear cheap clothes.

We've known each other since school,
but it's the first time I've seen you so relaxed with a woman.
Good going, Prince
Ah, Nadège
Thanks, Jean-Paul.
See?
A loving family!

I'll call you.
Good luck!

They couldn't help it.
Treating you and your sister so differently.
this was all your parents' fault.
It sounds like
Listen,
we're similar.
I totally understand how you feel.
I was the "other child" in my family, too.
Not just her looks,
she was like an angel.
Maria was really beautiful.
She sparkled even as a baby.
I thought it meant my sister also thought I was horrible looking.
But I was ashamed.
She bought me some lipstick,
after she got paid for her first modeling job

I was seeking love from the wrong people.
I'm so stupid

I couldn't be close to my father or mother

I will not get involved in such a scandal.
You must also never see or contact that Englishwoman or Paulo's child ever again!
I,
I've never heard
Your marriage and Paulo's are void in this country.
Because you didn't ask my permission.

What's going on?

Members of the royal family must receive permission from the king in order to marry.

Thank you for accompanying us.
We'll be fine.—
I can't believe 2 sons of mine—
I'm so ashamed.

I will retract your punishment.
In our family, marriages are used to protect the family. Remember that!

I don't want any money.

You're not playing with me?
Are you leaving?

No, no!
I want Daddy's house.
Let's go home!
Ben, this is our home now.
It says you will not try to claim any money from the Gerald fortune,

you will receive child support payments for your nephew until he comes of age.

Detective Fallen said I would never see you again. It was your father's orders...

I forfeited my right to the throne and my inheritance.
Legally, I mean.
What does that mean?
You're not a prince?
I had to sign so many documents, my hand hurt!
Let's fix the leak in your roof,
You can't do that!
No!
No!
No!
It's okay.
Yay!
and buy that house in Italy!
I love you, Daddy!
Let's swim in the pool again.
I'll teach you soccer, too.
It's not as much as a prince, but I can take care of you.
I've been investing since I was 18. I have my own fortune.
I'm not a prince anymore.
I'm a commoner like you!
Yeah.
So I severed my ties with my father.
What do you mean?
I realized how much I loved you both.
It was so hard being apart from you guys.
Ben!
